It was disappointing to have such a small entry for a ROM show. Perhaps this month is too saturated with Bull terrier shows. I want to thank the hard working members of the Metro Club, they work tirelessly to put on a great weekend for our bullies and exhibitors. Also, from the bottom of my heart thank you or honoring my husband by dedicating the show to him. He sure loved Bull Terriers and if he said it once he said it 100 times, "I wish we had discovered the breed sooner", they are a breed unto themselves and a constant form of entertainment.
