COLORED

Winners Dog and Best of Opposite Sex

Mardi Montgomery, Jane and Mark Lindquist's **MADCAP DIVINE SPARK** (By CH Madcap Jump The Pond - GCH Madcap Tilaboo Joy's Advocate)

Tricolor, with much body virtue (width and depth plus good bone) but could have more angle in the rear and less loading in shoulder. In profile shows strength of neck, good top line, body depth and proper onset of tail (and carriage). Well balanced overall. Head is masculine with good depth but moderate overall - eyes well set, muzzle could be a little bit better filled, gentle profile, and ears could be more erect, Tight left canine, correct occlusion. Moves cleanly, both front and rear.

Best of Variety, Best of Winners, Winners Bitch and Best of Breed

Lucia DaSilva-Poitras, Amy and Phil Jaspers, and Laura Fritscher's **NOTORIOUS SOLID GOLD** (By CH Clansmann Super Flye Guy - Notorious Good As Gold)

The standout in coloreds as can be seen from her awards. Substantial red and white with lovely continuous contours from nose to tip of tail. The best construction on the day - reachy neck, well-constructed front with very nice forechest, lovely topline, correct tailset and carriage; and strong rear with good turn of stifle. Very good proportionate width and bone. Clean mover. Feminine head of good length and smooth downface. Well set ears, lovely expression, perfect bite. To be ultra critical, she could have slightly more width of muzzle, and smaller ears.

Reserve Winners Bitch

Amy Jaspers and Phil Jaspers' **NOTORIOUS FREAKY HIJIKI** (By CH Clansmann Super Flye Guy - Notorious Single And Ready To Mingle)

Very competitive eye-catching brindle and white terrier type with lovely contours and body shape in profile. Not as well constructed in front (vs. WB) but has very strong quarters and good topline. Tail set a little high. Nicely balanced overall and a little more compact than WB, although a tad more bone would be nice. Reachy, well-muscled neck. Dramatic head in profile with good width and depth and lovely eyes. Good, proportionate width of body, but could have more forechest.

Select Dog

Patricia Murphy's **CH BALLY'S YOU DON'T KNOW JACK ATT** (By GCHS CH Hawthorn Dragons Heart - GCH Bally's Got A Foot In The Dora)

Red and white. Big boned, substantial dog with good outline; good topline and tailset. Strongly built but lacking a bit of smoothness in contour. Powerful head with good width and depth, well placed ears and pleasing eyes. Shows a little flatness in profile and a little eyebrow. Masculine dog but not excessive. Good body width and showing nice forechest.

Select Bitch

Lisa Burke, Amy Jaspers and Phil Jaspers' **CH NOTORIOUS MAKE AMERICA GREAT AGAIN** (By Jordan De Z Rzymkich Legionow - Notorious Madison Avenue)

Col SB #16

Substantial brindle and white somewhat long in proportion (length of loin). Nicely set shoulder, and good body width and depth. Powerful, somewhat masculine head with too much curve in the skull between the ears so that her ears are too low set. Muzzle is well filled and eyes well set. There is a slight flatness in profile. Bone is appropriate for her size.

WHITE

Winners Dog

Heather Miranda, Amy Woodman Jaspers and Phil Jaspers' **NOTORIOUS BREAKING NEWS** (By Notorious Fake News - CH Notorious Atomic Blonde)

Very nice stocky boy carrying brindle. Sound construction with contours and correct topline; strong rear; good bone for his size; a little stuffy in neck; good breadth and depth of chest. Strong head with some flatness in the middle in profile and could have more underjaw; nice width of muzzle and very nice eye and well set ears.

Winners Bitch, Best of Winners

Carlos Delgadill, Amy and Phil Jaspers' **NOTORIOUS HEADLINE NEWS** (By Notorious Fake News - CH Notorious Atomic Blonde)

Very nicely contoured bitch with good forechest, adequate bone; strong, nicely arched neck. Muscular rear but could be more turned. Tailset good, body width and depth exemplary. Presents a lovely picture from the front with ears more erect than the

others, a lovely eye, but an instanding canine. Carries red on the ears.

Reserve Winners Bitch

Paul Poitras, Amy Jaspers, Phil Jaspers, and Laura Fritscher's **NOTORIOUS FLYE ME TO THE MOON** (By CH Clansmann Super Flye Guy - Notorious Ronda Rousey)

A bit long in proportion but with strong, well turned quarters. Fairly substantial overall but suffered due to her front construction showing shortness in upper arm. Good reach of neck and good depth of body. Head of good length and strength but carrying a little bit of an eyebrow; could have more underjaw, but a nice head overall with pleasing eyes. Carries brindle on the ears

Best of Variety

Patricia Murphy's **CH BALLY'S WINTER WINNER CHICKEN DINNER ATT** (By CH Bally's Squiggy Wheel Gets The Grease - CH Bally's Jezebel Of The Ball TKN).

Had strong competition from the SB for BoV. They are terrier types with this one's better front construction swaying the outcome. Lovely balance overall with a pleasing outline and correct topline. Strong in rear (again marginally better than the SB). Appealing head with fill, beautiful eyes, and nicely set earsbut could have more underjaw.

Best of Opposite Sex, Best of Opposite Sex to Best of Breed

Connie Whitmer, Darrin and Yasmin Whitmer, and Krista Prater-Piles' **GCHS CH FORMULAS ROMAN GLADIATOR AT BRILLIANT** (By GCH Action Devils Apprentice By Formula - GCH Actions Formula For A Queen CGC)

Cobby boy, with a striking head especially in profile. The downface is dramatic but not excessive, and the head has great depth and a good eye. Bone and body volume well balanced. He is a little long in proportion and I would prefer more arch over the loin to give him a more athletic appearance. Rear angulation is adequate. Nice strength of neck with enough curve.

Select Dog

Patricia Murphy's **CH BALLY'S SQUIGGY WHEEL GETS THE GREASE** (By GCH Ghosts'N Goblins Bold As Brass - GCH Bally's Got A Foot In The Dora)

Big, well-constructed boy perhaps lacking a little in refinement and contour. Strong in rear but could have more angulation. Very substantial body with good width; strong in neck. Masculine head with width and depth but eye a little open; profile shows a hint of brow.

Select Bitch

Victoria Corse and Melissa Searles' **GCH CORSAIRE CHROME PONY OF REQUIEM** (By CH Patterned Head Bull Boot - CH Khromeheart Corsaire From Provokacija)

White SB #24

Vied for BOV (see BoV critique) Terrier style with good strength of body; very similar in outline to BoV. Short in upper arm however, and not as good front movement let her down. Rear, while adequate, could have more strength and turn. Lovely body contours, however. Head of quality with lovely eye and pleasing profile but could have more underjaw.
