Trudy Shelley-Avery and Stephen M Avery **TREDICIM KAGUTSUCHINOKAMI**

Sire: CH Bulroarus Bobby Dazzler x GCH CH Tredicum Eloquence of Benzaiten

Red & White male 14 months old. Quite immature at this stage, a bit leggy and rangy. Beautiful condition. Long turned head with good mouth. Alert small dark eye used ears well. Well angled shoulder placement with good turn of stifle. Quality bone right down to tight well knuckled feet. Moved well and when he stood up had lovely make and shape which took my eye over my second placing. With a few more pounds on him he will look more balanced and not so leggy.

##### **Reserve Winners Dog - 11**

Diego Marquez **DAMS ZEUS KING OF THE GODS**

Sire: GCH CH Action Kiss my Grits from Old Forge x GCH CH Kidnappingofpersephone

Brindle and White Male 16 months old. He's also an immature male. More compact than my number one. He has a strong head but lacks some fill under eye and although profile is broken he has finish and strength of muzzle. One tight canine and ears are soft. He is in good condition, balanced front and rear, lovely bone with tight feet, he showed well and moved well just held his tail a little gay at times which spoiled his topline.

Trudy Shelley-Avery and Stephen M Avery **TREDICIM KICHIJOTEN**

Sire: CH Bulroarus Bobby Dazzler x GCH CH Tredicum Eloquence of Benzaiten

Lovely young clown faced brindle and white bitch, caught my eye immediately, but she doesn't always show herself, so only caught glimpses of her potential. She has a long sweeping profile with plenty of fill, small dark eye with good ears, when she used them she was the complete picture. Good condition, beautiful neck into shoulder, with pronounced forechest and correct shoulder placement. Level topline with slight rise over the loin with well turned stifles & well let down hocks. Good bone and substance. Moved well. An interesting youngster one I'd like to keep an eye on. Needs more socialising.

### **Reserve Winners Bitch - 26**

Trudy Shelley-Avery and Stephen M Avery **ROCKYTOPS DARE TO DREAM**

Sire: GCHB CH Hawthorn Dragons Heart x GCH CH Rockytops sweetest dream

Solid brindle bitch with small amounts of white. Feminine bitch with enough bone. Her head is egg shaped, totally filled and turned, although a little short in length she has a scissor bite with good canines. She is alert, with good expression small dark eye and ears erect. I would prefer better lay of shoulder, as she dips behind wither which is more noticeable on the move. She has straight front but feet are a little untidy. She's balanced front and rear. Showed and handled very well.

Good depth of muzzle. Long strong neck into well laid shoulders, level topline, with strong well angled rear. Good tailset carried well. Quality round bone with good feet. White young male two black ears. Very tall rangy style of dog, could do with another few pounds on him. Hes got a big long and strong head with good expression, small triangular eye with a scissor bite. His ears are a little east west at the moment. Good quality strong round bone down to catlike feet. A little roachiness in the topline and carries his tail high. Flanks have some redness in them. Moves ok. Showed and handled well.
